

Your Moving Timeline

Knowing what to expect will help you plan a smooth, low-stress move to a senior living community. While each community will have its own process, this will give you an idea of what a typical timeline looks like for moving into independent living.

10 - 12 Months

- Complete house appraisal and real estate agent search
- Schedule any needed home repairs and upgrades
- Narrow your community search to your top two picks

7-9 Months

- Choose your community
- Make some acquaintances there
- Start downsizing/ decluttering

4-6 Months

- Complete home repairs/ upgrades
- List house for sale
- Make appointment with move-in coordinator at your chosen community

3-4 Months

- Get moving estimates
- Contact insurance providers
- Choose your floor plan and customization options

- Schedule utility disconnects, and make change-of-address notifications
- Gather and securely store important documents
- Complete a space plan for your furniture placement

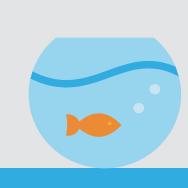

1 Month

- Confirm moving details
- Start cleaning out pantry and freezer
- Schedule post-move cleaning services

Final Week

- Pack suitcase for your first week after the move
- Confirm mover arrival
- Finish any final move preparations (packing, etc.)

Moving Day

- Have mover payment ready
- Settle your pet somewhere else for the day
- Let your move-in coordinator supervise so you can relax
